

POWER UP

ADVANCE TO THE NEXT LEVEL IN YOUR FAITH

Power Up: Week 2 | Toby Slough | March 7, 2021

GROUP QUESTIONS

1. The power of the Holy Spirit helps us move forward. God wants to bring power into our lives so that we might be able live a full life in Him. How do you connect with the Holy Spirit?
2. We come to church because that is where God meets us. We gather together because that is where God meets us. The Power of the Holy Spirit comes best with someone else being connected with us. It is better for us to be together. That has not been easy in 2020. How were you able to stay connected during the “unprecedented times” of COVID?
3. In Acts 2, the Disciples gathered in the Upper Room-all kinds of different people-all different languages-all different kinds of backgrounds-all different kinds of walks-but they worshiped together. What is your favorite part of worshipping with a group of believers?
4. Relationships nurtured over time can be strengthened when you share what God is doing in your life and what He is doing in the lives of the people you care about. Relationships built on faith can grow our faith. What are some of benefits you see to nurturing relationships that matter?
5. Together, Peter and John faced a HUGE challenge. They battled together. Share a time in your life when you were able to face an incredibly difficult challenge shoulder to shoulder with someone that you were in relationship with? What would that have been like if you would have had to do it alone?
6. There will always be difficult challenges. We sometimes say, everything will be so good when this is over. The truth is, we are always going to have challenges. Hard times are going to come-they won't last forever-but they will come. What can you do now to prepare for those hard times? What can you do to build relationships that matter so that you can lean on that friend when hard times come?
7. Pray. Acts 4:31 tells us that all were filled with the Holy Spirit. Praying for others is a powerful and practical way to grow our relationship with each other through the Holy Spirit. There is power when we pray for each other. Share a time when you know someone was praying for you and God moved in your life.
8. Prayer is an important part of our walk. Sometimes we get through our entire day and realize we haven't stopped to pray. Commit to prayer this week! Right now, grab your phone or computer. Send an email to Toby Slough. Don't forget to put the word “Zoom” in the subject line. His email is tobys@crosttimberschurch.org. Our Zoom Prayer Group takes place Monday morning at 7:00 AM
