Power Up: Week 3 | Toby Slough | March 21, 2021

GROUP QUESTIONS

1. What is your top score in bowling? How many strikes have you made in a row?
2. Last week, we talked about building relationships with others. What is one thing you did this week to grow a relationship you have with someone else?
3. We have been talking about how we can pray to gain access to the Holy Spirit. How have you seen the Holy Spirit work in your life since you started praying for Him to work in your life?
4. Pain can lead to narcissism and pain can lead to isolation. Sometimes we put all our focus straight on us! One way to take our focus off our ourselves is to serve others. How has someone served you in a big way or a small way that impacted your life?
5. When we serve others, a bigger measure of God's Spirit comes on us. When we take the focus off of ourselves and focus on others-God moves. Think back on time when you served someone else. Share how you were blessed by being a blessing.
6. When we serve others-we think it is all about them. But what ends up happening, is we get blessed by doing something for someone else. We are not designed for ourselves. We are designed to be a "Hope Center" right where God has called us. What is one way you can serve someone else in your community?
7. Have you sent Toby and email this week?
8. Send an email to tobys@crosstimberschurch.org with the word "Hope" in the subject line. Toby will send you practical ways that you can be a hope center right where God has placed you.
